5. I heard that all secondary schools would have Full Subject-based Banding (Full SBB) in 2024?

- Evergreen Secondary School has been an MOE pilot school for Full Subject-based Banding (Full SBB) since 2020.
- Our experienced teachers employ various teaching approaches, including technology integration, to facilitate learning within our mixed and banded classes, catering to students from different posting groups.

6. What is your school's 2022 PSLE score range for (Express / Normal Academic / Normal Technical) course?

The score range differs over the years, as it depends on the cohort's choices.

For 2022 PSLE score range (for 2023 Sec 1 cohort):

- Express 10 – 16 *
- Normal Academic 21 – 23
- Normal Technical 25 – 30 **

* The **key numbers are the last numbers, which are the cut-off points.**

** Our last posted student had a PSLE score better than 30. However, as our school still had vacancies after S1 posting, its cut-off point is reflected as 30 as it could have admitted a S1-eligible student with PSLE score of 30.

7. How can I / my child appeal after the release of PSLE results / Sec 1 posting results, e.g. when my child's results do not appear to meet the cut-off point or when my child is not posted to Evergreen Sec?

- P6 students who want to appeal after the PSLE results are released may do so by:
 - Ensuring they have selected our school as FIRST CHOICE; and
 - Appealing using the online form on [our website](https://www.evergreensec.moe.edu.sg/admission/school-admission/).
(<https://www.evergreensec.moe.edu.sg/admission/school-admission/>)

8. Is CCA compulsory for my child?

- Yes, **CCA is compulsory** in secondary schools.
- Every Sec 1 student will be assigned 1 CCA by February in Evergreen Sec.
- If a student wishes to join a 2nd CCA, he/she can apply in Semester 2 but subject to conditions and school decision (e.g. good academic progress, no clashes with 1st CCA).

9. How do students select their CCA?

- Sec 1 students will attend CCA trials/tryouts in January.

- After that, they will participate in the CCA option exercise to submit their CCA options.
- Students are encouraged to try out as many CCAs as they can so they can make an informed choice.
- There are 19 CCAs for the Sec 1 to choose from.

10. When are CCAs conducted?

- This year, our CCAs are generally held on either Tuesdays, Thursdays and/or Fridays.
