# CLASS OF 2024

# WELCOME BACK!

OFFICIAL (CLOSED) \ NON-SENSITIVE

# CELEBRATE!

You have worked hard to reach this stage. Let's celebrate your efforts!

# THINK OPPORTUNITIES!

As you await your GCE O-Level results, there are some possibilities:

Remember that **everyone's learning journey is different**  
**but we can each have a fulfilling outcome!**

*Many pathways and opportunities!*

# Reaching out for help is a sign of strength, not weakness

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

# Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

**Keep a lookout for your friends in distress. You can support them in the following ways:**

Calm them down

"Are you ok? Calm down, take a few deep breaths."

Hear them out

"I am here to listen to you." or "I am here for you."

Empathise with them

"It sounds like you are disappointed." or "It seems like this is a difficult time for you."

Encourage seeking help

"Thanks for sharing. Why don't we speak with a trusted adult who can help?"

Refer your friend to a trusted adult

"Let's talk to our teacher or our School Counsellor so they can better support you. Do share your feelings with your parents/guardians too. Would you like me to accompany you?"

# Concerned about your next steps?

**Stop**

- Calm yourself down. Take a few deep breaths.

**Think**

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is one part of your life journey and not the destination.

**Do**

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

**When you receive your results, you may experience a range of emotions.**

**Managing these emotions well will allow you to stay calm and make rational decisions.**

# Support is readily available for you.
